

Full Time Mathematics Teacher
Assumption Kokusai Junior & Senior High School

Name of School	Assumption Kokusai Junior & Senior High School	URL	https://www.assumption.ed.jp/jsh/
Address	1-13-23 Nyoidani, Minoh-shi, Osaka-fu, Japan 562-0011		

Job Details

Assumption Kokusai Junior & Senior High School, a catholic private school located in northern Osaka is seeking candidates for full-time Mathematics teaching positions (**AY 2021-2022**) within its established English Immersion program. The program aims to instruct students through the application of content and language integrated learning (CLIL).

The successful candidates will be required to teach mathematics courses within the Japanese junior high school and senior high school academic curriculum through English. He/She may also be required to perform co-homeroom teacher duties, attend department meetings, participate in extracurricular activities (e.g. clubs), and provide support during school events.

The chosen candidates will also be expected to understand and support our school's five core values: **Life, Truth, Freedom, Goodness** and **Oneness**.

Working Conditions & Compensation

Regular working hours are from 8:20AM to 6:20PM on weekdays with occasional work days on Saturdays.

Base salary is determined by the successful candidate's teaching experience, qualifications and age at the time of employment.

In addition to the monthly base salary, the following benefits are also available.

- social insurance (health and pension)
- public transportation allowance
- living allowance (conditions applied)
- 10 days of paid holidays (increases with seniority) aside from the school and public holidays
- paid overtime and/or recovering days off

Qualifications

The successful candidates should possess a bachelor's degree or higher in a related field of study. He/She should enjoy working with young children, be dedicated to education and have an open mind towards sharing and learning.

Preference will be given to candidates with:

- experience teaching in an English immersion or dual language classroom setting
- strong academic and/or teaching backgrounds in mathematics
- qualifications in TEFL/TESOL/TESL
- a willingness and ability to work in Japan long-term
- an understanding of Japanese culture and language

Document Submission

The following documents should be submitted by email:

- Curriculum Vitae
- Cover Letter

Submission Deadline: November 30, 2020 (or until a suitable candidate is found)

Email: immersion@kokusai.assumption.ed.jp

Cover letters should be addressed to:
Ms. Naomi Tanzawa (Principal)

Any enquiries about the position should be made by email.

Selection Process

1. Document Review
2. Preliminary Online Interview
3. Final Interview

Candidates making it to the final round of the selection process may also be asked to deliver a simulated lesson.
