

Full-time position in English (Associate Professor position or a Full-time Lecturer)

The University Education Center, Gunma University, Japan, is now accepting applications for an Associate Professor (jun-kyōju) position or a Full-time Lecturer (kōshi) position in English as a Foreign Language. We seek a teacher with a background in Teaching of English to Speakers of Other Languages (TESOL) or applied linguistics. Candidates for the position should also have a professional interest in teaching English skills in General Education courses.

Duties of the position include teaching general English classes in a unified curriculum, TOEFL/TOEIC and related English language courses. Teaching responsibilities include teaching about 10-12 classes per year. Responsibilities also include active research, student advising and mentoring, and active participation in the work of the University Education Center, committees, and faculty meetings.

1. [Address of work location and other information]
4-2 Aramaki-machi, Maebashi, Gunma, Japan 371-8510

2. [Position]
